MISSION POINT
MACKINAC ISLAND

Special Announcement regarding COVID-19

Over the course of the winter we've worked with fervor to prepare for the 2020 season at Mission Point, the 5th under the ownership of the Ware family. On March 23rd we, like so many Michigan businesses, shut all pre-opening work down to Stay Home, Stay Safe per Governor Whitmer's Executive Order. We did so sadly but ever so respectfully as health and safety should always be paramount, especially now.

Mission Point was scheduled to open April 24th. We do not know our new "opening date" but know it will not be before May 22nd. We are currently reaching out to our May guests to discuss postponements. If we've missed you, as a small family-owned business and supporter of the island, we ask that you consider moving your May reservation to a later date and have flexible booking options.

Additionally, we've added e-gift cards which can be purchased now and used in the future. Mission Point is donating 10% of each card sold to the Mackinac Island Community Foundation. We share a common love of the Mackinac and supporting the foundation and its efforts throughout the community is more important than ever.

At this time, we are awaiting information from the Governor's office and local officials to determine a realistic opening date. Once our team can go back to work, it will be with a renewed fervor to complete renovation projects left idle. New safety protocols to protect our guests and employees have been implemented as well so our doors can open.

It will take time for all of Mackinac Island to spring back from the winter construction season, the dangers of COVID-19, and to meet the challenges of the "new normal". The uniqueness of the island presents additional safety protocols and considerations.

In conjunction with the Governor's direction, the following organizations are working closely together to open the island safely:

- City of Mackinac Island, Mayor Margaret Doud
- Mackinac Island's Public Health Task Force – comprised of governmental agencies, business owners including hotels and ferry companies and health experts
- Mackinac Island City Council
- LMAS District Health Department
- Mackinac Straits Health System
- Mackinac Island Medical Center
- Mackinac Island Police Department
- Mackinac Island Fire Department
- Mackinac Island EMS
- Mackinac Island Community Foundation

We all look forward to welcoming you back - when the time is right.

For guests inquiring about future bookings, we want you to feel confident in booking your trip. We have relaxed our cancellation policy of 14 days to 48 hours with the exception of annual events including the Mackinac Policy Conference, Bayview Race to Mackinac and Chicago Yacht Club Race to Mackinac. Please contact our reservations department at (800) 833-7711 Monday through Friday from 8:30 AM to 5:00 PM or leave a message and we will respond. For up-to-date travel & health information, we encourage you to visit the following website: Mackinac Island Travel Advisory

Thank you to all of our guests and friends who've reached out to share a story or a photo from a trip. We've loved each and every one of them and we miss you too.

Please continue to stay connected with us and share your stories, photos, and comments via our Facebook, Instagram, and Twitter.
