

MoM Reopening Health and Safety Protocols

The health and safety of our guests, employees and residents is our number one priority. Myths of Maui Luau will be following all Hawaii state and Maui county mandates outlined for safe operation and has implemented additional sanitation procedures and recommended best practices to provide a safe and healthy experience.

- Walk up transactions will be temporarily suspended. All payment transactions are to be completed via contactless technology.
- Myths of Maui Luau is an outdoor event. State and county mandates still require social distancing and face masks to be worn throughout the event while not seated at your table. Gators, bandanas and face shields are not PPEs approved by the state.
- Family Style seating is currently being provided. Each Family/Traveling party will be seated together at tables not exceeding 10 guests per table. Only members of the same group will be allowed at the table.
- Guests will enjoy an assisted buffet, in which our culinary staff who are outfitted with proper ppe and shielding assists in the plating of food items.
- Beverages will be ordered and served at each table. Walk up bar service is not available.
- All service staff is required to wear face masks and to follow the proper sanitation and safety guidelines in line with CDC and the County of Maui. Luau performers are not required to wear masks while on stage.
- Sanitizer stations are available throughout the luau grounds. All high contact areas are sanitized prior to and after each show (including but not limited to seating area, restrooms, stage and operational areas).

Please note that due to the adaption of new protocols and official mandates some adjustments to our standard luau operations have been made and inclusions are subject to change.
