MEET WITH CONFIDENCE | VIRTUAL & HYBRID EVENTS

Partnered with PSAV, **InterContinental New York Times Square** is pleased to bring Virtual or Hybrid technology services to your next event. We know having a specialized team is critical to the success of your program and meeting your program's objectives.

The **On-Site Virtual Events** team at PSAV can help the show go on - Key presenters or attendees unable to attend due to travel restrictions, space limitations, remote office locations or to meet today's distributed workforce. We can also keep your loved ones connected and capture those special moments with you...

Audio-Visual services you can rely on:

- Managed network, burstable to a GIG, with ability to allocate bandwidth in all meeting spaces
- Create custom SSIDs with custom access code, WPA2 password, or have specific devices recognized via MAC address
- **Chime Live**- Web based platform that provides high quality video streaming in attendee platform for engaging, transformative and insightful meetings
- **Content1 Virtual**- delivers a vibrant web presence to virtual attendees, provides speakers with a platform to share their content, and offers presenters the ability to record audio tracks for both presentations and posters that helps bring their content to life
- **Webcasting**- Create a broadcast quality video experience for a broad audience. Stream your content to a branded microsite or to a social media platform.
- **Managed Webinar**- Our managed webinar services create a polished, interactive event so you can focus on keeping the conversation flowing
- We offer consultation services to evaluate your hybrid and virtual event needs.
- Our global footprint ensures that your attendees and speakers are supported from any possible location
- We stay connected to you throughout the process to ensure that you are receiving the best service
- Our unparalleled digital knowledge means you will always have proven, reliable event support.

From Audio Conferences to interactive Webinars, PSAV Company offers an array of virtual and hybrid services. Allow their knowledgeable team of experts to design a package to meet your event needs.
