COCKTAILS & CUISINE

Go high or go low with panoramic rooftop views at Vue or downstairs at our new craft beer taproom and garden. Our iconic rooftop, Vue, takes inspiration from D.C.'s honeycomb metro and Brutalist design, incorporating floor-to-ceiling glass for maximum transparency. Or head below street level and behind closed doors to sample an expansive selection of craft brews to the beat of D.C.'s homegrown GoGo music.

HOTEL WASHINGTON

Daring to break with tradition and disrupt the status quo, Hotel Washington reimagines a Beaux Arts icon with irreverent energy and cutting-edge design. Situated between The White House, the Treasury, and national monuments at the nexus of political power, the hotel trades rivalry for revelry, letting rule breakers and kingmakers loosen their ties and let down their hair. Cross boundaries, turn the tables, and never settle for just two parties as you cross the party line.
