Code of Conduct

(Signature required when applying for any Academy Program)

The Silverado Junior Golf Academy is proud to have your participation to facilitate the best Junior Golf program in the Napa Valley. It is required that all students adhere to the Code of Conduct while participating in a match, practicing and playing at Silverado Resort or elsewhere while representing the Silverado Junior Academy.

1. **Attire:** When you arrive to the course you are expected to be in proper golf attire: collared shirt, hat, shorts or pants, clean shoes, clean shaven, hair combed etc. Athletic shoes may be worn in replacement of golf shoes. Hats will be worn with the bill forward at all times (no flat bills). Earrings and visible piercings are prohibited on male students. Female students may have visible piercings on ears only. Skirts okay, no short-shorts.
2. **Etiquette and Behavior:** Introductions when you get to Silverado Resort are imperative. Stand tall, look people in the eye and introduce yourself using a firm handshake and state your name clearly, you are a representative of the Silverado Junior Golf Academy. We expect smiles and the ability to walk confidently on the golf course. Our ownership and members are the reason we are able to run such a vast junior program. They deserve our thanks and respect. If you see one of them, always give the right of way and greet them with a smile.
3. **Attitude:** Our philosophy is to have a great attitude daily, on or off the course. Although golf at times may be frustrating, it does not give anybody the right to use foul language, disrespect teammates, opponents, coaches, volunteers, golf professionals, parents and anyone else associated with the program. You are required to maintain the golf course and keep it in the best shape possible. Any vandalism, including deep divots and/ or litter is not acceptable. Requirements on the golf course are as follows: replace every divot, repair every ball mark you can, rake the bunker every time you use it and be considerate and supportive of your teammates and opponents. Our goal is to set the standard for exemplary etiquette at all times.
4. **Phone use and Social Media:** Absolutely **NO** Social media including videos or pictures are allowed at Academy at any time. Juniors may use their phones to call or answer calls from parental units **ONLY**. This is a strict policy as it is our responsibility to create a safe learning environment for all juniors. If anyone is taking video or pictures of themselves or any other juniors during Academy time, they will be required to delete all media and asked to leave Academy.
5. **Academy is not to be used as Childcare:** Our Academy juniors are here to learn and deserve a safe learning environment where skills can be practiced and developed, both when an instructor is present and when not. Individual practice and play-based learning is part of our development philosophy. All Juniors are entrusted with their own responsible behavior. Our expectations are very high in all aspects and it is unfair to other students' learning to monopolize the time of instructors due to poor behavior. If learning cannot be accomplished safely and responsibly, juniors will be asked to leave Academy permanently. Instructors reserve the right to dismiss individuals from Academy at any time.
6. **Attitude:** Bring your best attitude every day!
