## *dedicated full service production*

Cheyenne Mountain Resort partners exclusively with PS&AV for all our on-site Audio Visual needs to deliver unique experiences combining creativity and technology. A seamless part of our event team, PS&AV determines your specific event goals and objectives and provides the resources and talent to inspire your event.

### **PROJECTIONS**

Depending on the scope of your event, PS&AV can offer a wide range of Da-Lite screens (ranging from an 8ft surface to a 25ft movie-theater size screen in our larger ballrooms), with commercial grade NEC projectors from breakout units to High-Lumen LCD Show projectors.

### **AUDIO**

From House sound to line-array, PS&AV has the best speakers, microphones and digital consoles available on the market, with trained audio engineers to set-up and operate your event.

### **VIDEOGRAPHY**

From live-feed image magnification, to records & broadcast – PS&AV offers studio quality equipment, with certified personnel to cater to your needs.

### **LIGHTING**

Be it a social function, or a general session – lighting will not only set the tone, but also captivate attention. PS&AV can offer you ways to brand your event, color-theme your function, and focus attendees.

### **STAGING**

Bring your vision to life by creating a stage that will captivate your audience and elevate your speakers and performers. From hard-sets to custom designs, talk to your PS&AV representative & take your production to the next level.

### **EVENT TECHNOLOGY**

Are you ready to go paperless at your next event? Talk to PS&AV about which apps would best support you, and connect your attendees.
