FREQUENTLY ASKED *Questions*

Is it possible to just have my ceremony on property?

We require couples to follow the ceremony with a breakfast, lunch or dinner in one of our private ballrooms.

Do you provide children and vendor meals?

We do offer a children's meal for guests under the age of (12) twelve years old or they can dine from the chosen buffet at a reduced price.

We do have a chef selected hot plated meal for vendors, or we can provide a cold boxed lunch.

When do I need to give you my final menu selections and final guest count?

To ensure that every detail is handled in a timely manner, the Hotel requests that the menu selections and specific details be finalized two (2) weeks prior to your function. In the event that menu selections are not received two (2) weeks prior to the function, we will be happy to select appropriate menus to fit your needs. We request that you notify the Event Services Coordinator with the exact number of guests attending the function four (4) business days prior to the function.

Where does the bride get ready?

Many of our wedding packages include a complimentary wedding night guest room for the couple in one of our 2-bedroom extended stay residence style suites. Most bridal parties find that this space is perfectly suited to also serve as a "getting ready" location. If you choose to include a block of guest rooms on your contract, you may add up to 2 nights in this room at your discounted group rate.

What is required by the state of Indiana for a Marriage License?

An Indiana Marriage License must be obtained through the Clerk of the Court's office in the county where the ceremony will take place. Couples must present a social security number and at least one of the following: valid driver's license, valid government issued photo ID, or military identification. If either or both of you are divorced, a date of the prior marriage ending is required. The license is valid for sixty (60) days and no waiting period is required.

FREQUENTLY ASKED *Questions*

Will a ceremony rehearsal be scheduled?

Your Event Services Coordinator is happy to arrange a ceremony rehearsal for you and your wedding party. Rehearsal times and location are confirmed up to thirty (30) prior to your wedding and set at a time that does not interfere with other hotel events.

Do I need a Wedding Planner?

You are provided an Event Services Coordinator as part of your ceremony fee and a formal introduction will occur once the event is contracted. Your Event Services Coordinator will assist with the detailing and planning aspects of your wedding as they relate to The Alexander. You are welcome to hire an outside event planner for any additional needs such as an off-property ceremony or event décor and design.

Do I have to work with your recommended vendors, or can I bring my own?

You are not required to work with any of the vendors on our recommended vendor list. If you do elect to bring in your own vendors, we will require a copy of their liability insurance for our records.

What about my Wedding Cake?

The Alexander will allow you to provide a wedding cake for your event from a fully licensed bakery. No other outside food or beverage is allowed in your event space.

When I'm ready to move forward with a contract, what is the deposit amount?

We require a non-refundable deposit of 25% of your food and beverage minimum, ceremony fee, service charge, and sales tax. *Based on your specific event date, a larger deposit may be required.
