DOLCE CAMPOREAL LISBOA

Came to meet the new Dolce CampoReal modality – the FootGolf.

In our 18-hole golf course built by the architect Donald Steel, it is now possible to play this modality as well.

With the protected landscape of Socorro and Archeira Mountains as a background, our course is one of four courses certified by ANFGP for the FootGolf National Circuit.

With perfect conditions for the practice of this great modality is an idyllic stage for tournaments and individual competitions.
