Through Trails of Discovery, you can experience a thoughtfully curated journey from some of our most scenic hotels. The programme has been designed to help groups of all sizes explore and draw inspiration from their surroundings, while also developing team skills through a series of fun activities and challenges off the beaten track.

Each trail has been created in partnership with a local influencer to provide guests with an insider's view of awe-inspiring locations, such as picturesque vineyards, historic landmarks, and even a UNESCO World Heritage site.
