Silverado Resort and Spa Announces New Food & Beverage Team

NAPA, CA (November 29, 2010) — Silverado Resort and Spa is pleased to announce changes to its Food & Beverage team, to include the appointment of Jeffrey Jake as new Executive Chef and Peder Tillung as new Food & Beverage Manager. With more than twenty years of hospitality experience each, Jake and Tillung are excited to share their expertise to enhance all aspects of the Food and Beverage experience at Silverado.

Jake, a Napa native, was most recently executive chef for The Carneros Inn where he oversaw three restaurants and catering for the property since 2007. Prior to his arrival at The Carneros Inn, Jake achieved national acclaim as executive chef at The Lodge at Pebble Beach. He also played an integral role in organizing and executing prestigious, high-profile events that include the AT&T Pro Am Golf Tournament and the Concours d' Elegance.

At Silverado, Chef Jake oversees the menus for The Grill, a local favorite; The Royal Oak, a sophisticated wine country restaurant; the Main Lounge; and all catering and room service for the resort. His primary responsibility is managing the seasonally-changing menus created primarily from the region's bountiful array of top-quality produce, cattle ranches, and award-winning cheese producers.

New Food and Beverage Manager Peder Tillung brings experience with such luxury brands as Starwood Hotels & Resorts, Marriott and The Ritz-Carlton Hotel Company. A native of Minneapolis, Minnesota, Tillung began his hospitality career on the culinary side as Chef of the McLean, Virginia and St. Louis, Missouri Ritz-Carlton Hotels. After holding several high profile Executive Chef positions throughout the area, his career evolved into the role of Food & Beverage Director while working with W Hotels in New Orleans, Louisiana.

Tillung's passion for luxury and five diamond service led him to accept a position with one of Starwood Hotels' most prestigious properties, St. Regis Aspen, as Director of Food & Beverage in 2003. He then rounded out his extensive experience by joining Sam Houston University as Director of Catering, handling all aspects of catering and production for University and Alumni events, before joining Silverado Resort and Spa.
