

Golf Dolce Frégate Provence and Ecole de Golf Français: a winning partnership for quality coaching.

The Dolce Frégate Provence golf resort, considered one of the most beautiful courses in Europe, has partnered with the Ecole de Golf Français (EGF) and inaugurates its new Coaching Institute using the MRP method.

The Dolce Frégate Provence golf course, located on the hills above Bandol and showcasing the 4-star hotel offers exceptional golf experiences. Between sea and vineyards, the golf course, designed by Ronald Fream, offers unique viewpoints over the Mediterranean.

Dolce Frégate offers golfing enthusiasts two courses with 18 and 9 holes, and provides coaching through the Ecole de Golf Français. Year-round the Institute and Dolce Frégate Provence work hand in hand to provide golf lovers tailor-made coaching to improve or perfect their game. Dolce guests can thus combine pleasure and learning during their stay in an idyllic setting.

EGF did not pick Dolce Frégate by chance. Founded in 1997 by Lionel Bérard, the school brings together a team of professional coaches trained to teach a common technique.

This represents a surefire guarantee of quality for student golfers.

The school works in three areas:

- Vocational training (the only school authorized by the Ministry of Sports to train future coaches in the PACA region)
- Golf Tourism, EGF is a travel agency that organizes golf tours in France and abroad
- Golf coaching, with an innovative educational concept: the MRP GOLF method.

Indeed, the Ecole de Golf Français addresses its courses through a new neuroscience-based teaching methodology, called MRP.

It relies on managing the student's progress on the golf course, in all autonomy. It represents a new vision of golf coaching, using cutting-edge and carefully considered methods based on the latest scientific findings. This method helps golfers by integrating the 3 dimensions of progress: HEAD (cognitive process), HEART (emotions), BODY (technical and physical training).

The aim of the Institut du Golf Français is to transform the Golf Dolce Frégate Provence into a benchmark for year-round coaching for local golfers but also for golfers staying at the hotel and in the region.

Live this exclusive experience first-hand, save time, save energy and... swing with confidence, this is now possible at Dolce Frégate Provence!
