November 17, 2018- marks #GivingTuesday which is a day many companies and individuals choose to help others in their community and across the world with donations of monetary support, tangible items, and personal interactions. Both time and monetary efforts positively affect our world and make a profound impact, no matter how small. It is on this day that Capt Hiram's Resort announces the 2019 CRUSH CALENDAR

"Giving back to our community by working with local nonprofits, hosting charitable events, and supporting causes we're passionate about is something we, at Capt Hiram's Resort, are proud to do. Since opening in 1986, we have operated with the understanding that our community is stronger together. From cleaning our waterways, to fighting childhood cancer, to raising funds for those who keep us safe, we remain committed to crushing as many goals as possible!" – Will Collins, President of Capt Hiram's Resort

### **What is the CRUSH CALENDAR**

Marked as a "give-back" effort, 12 local nonprofit or community organizations are chosen with one featured as the Charity of choice for an entire calendar month. The monies are gathered throughout the month through the sales of the Capt Hiram's signature drink called The Capt's Crush. One dollar from each drink sale (alcoholic or non-alcoholic) is awarded to that month's featured organization.

After much deliberation, Capt Hiram's Resort is delighted to announce the 2019 Crush Calendar recipients
