### **CARIBE ROYALE ORLANDO HOSTS A “CHOCOLATE HOLIDAY WONDERLAND” AND A VARIETY OF SEASONAL PROGRAMMING**

*Celebrate the festive season as Caribe Royale debuts holiday-themed displays made completely of chocolate, in addition to tasty treats, kid's activities, special menus and more*

**ORLANDO, FLA. – (Nov. 15, 2022)** - [Caribe Royale Orlando](#), Central Florida's premier family vacation destination located just minutes from *Walt Disney World™* Resort, has announced its holiday festivities for the 2022 season. Wondrous joy awaits as the resort debuts a holiday wonderland created entirely out of chocolate. The resort's lobby will be home to The Caribe Royale North Pole Express, a 32-foot-long locomotive train; and “Santa's Magical Flight” featuring Santa and his reindeer, all made completely out of chocolate. The displays are surrounded by festive decor, an illuminated tree, and plenty of yuletide cheer. While viewing the artful displays, guests will also have an opportunity to participate in various themed experiences for the entire family. Programming includes merry movies under the stars, specialty meals and menus, a “Jingle Jog”, Holiday Gnome Hunt, visits from Santa and more, all offered Nov. 29, 2022 through Jan. 1, 2023.

Caribe Royale's “Chocolate Holiday Wonderland” displays are each made from over 2,000 pounds of the highest quality chocolate, in partnership with Valrhona and Barry Callebaut. Chef Cain has over 25 years of pastry and culinary experience, and specializes in working with chocolate. The displays are made inside the resort's new “chocolate room,” which houses all the highly specialized tools needed to bring these sweet sculptures to life. Cain uses a tempering machine, marble slabs for molding and silicone and plaster molds. The chocolatey likenesses of Santa Claus and his reindeer will debut this year alongside the train, reflecting Chef Cain and his team's desire to continue making this incredible display bigger and better each year.

“We are so thrilled to have the opportunity to expand our programming this year, adding Santa and his reindeer to our ‘Chocolate Holiday Wonderland,’” said Cain. “This time of year is about celebrating and indulging. This project was an indulgence for my team as we were able to really flex our creativity to bring something unique to our guest experience and knock it out of the park. We are very proud of the artistry and collaboration done on this festive and joyful display. This is just the beginning of our holiday traditions at Caribe Royale Orlando.”

Upon checking into the resort on weekends, guests will receive a warm cup of cocoa while enjoying views of the festive decor. Other activities include poolside holiday movies, crafting stations, a “Jingle Jog” fun run and more. For a full schedule of events, see [HERE](#).
