## Ordering Guidelines

### **Multiple Entrée Choices**

If you wish to offer your guests a choice of entrees, a maximum of three (3) may be chosen. Advance entrée counts are required and the host/hostess is responsible for providing place cards for his/her guests that indicate entrée choice in order for CCI to provide proper service. If applicable, the same luncheon side, salad, vegetable, starch, and/or dessert are served to all guests.

∞  
✖ denotes gluten free menu offering

### **Final Guest Count**

A confirmed guaranteed minimum attendance, including final number of each entrée (if applicable) must be received three (3) business days prior to the event. In the event no timely confirmation is made the last projected number will be used.

∞

### **Food & Beverage Policies**

CCI does not allow food or beverages to be brought into the hotel by event hosts or their guests with the exception of specialty wedding or birthday cakes (and then a \$1 per person dessert fee will be assessed).

The hotel's licenses require all other food, beverages, and alcohol to be supplied and prepared on-site.

Food and beverages may not be removed from the premises after an event.

∞

### **Responsible Alcohol Service**

Minors will not be served alcohol and we reserve the right to refuse alcohol service to any guest.

∞

### **Menu Pricing & Availability**

All menu items and prices are subject to availability and market price adjustment.

Prices are subject to change without notice.

∞

### **Taxes & Gratuities**

All non-service fees (including but not limited to food, beverage, event space rental fees, and equipment rental fees) will be taxed Indiana sales tax of 7%. A minimum gratuity of 20% will be added to the final food and beverage charges.

∞

### **Tax Exempt Entities**

If an organization is tax exempt, a copy of the Tax Exempt Certificate must be received in advance of an event. Once tax is applied to a bill it cannot be reversed.

Indiana Department of Revenue regulations now stipulate that only event space rental (under specific conditions) qualify to be tax exempt; food, beverage, and guest rooms can no longer be tax exempt.

∞

### **Off-Site Catering**

CCI will consider offering off-site hors d'oeuvres and beverage catering in the downtown Wabash area based on anticipated business volume at the hotel and typically not on Fridays, Saturdays, and Sundays. Off-site catering requires a minimum of \$1,000 food and \$250 beverage sales; a labor charge of not less than \$250 will also be assessed.

Please note that thirty (30) days' notice is required to obtain an off-site alcohol catering permit.

∞

### **Health Department Statement**

Consuming raw or undercooked animal products may increase your risk of food borne illness.
