

## About the Program

To jumpstart travel and thank healthcare workers for their tireless efforts on the front lines, the hospitality industry has united to launch Buy One, Give One. Available through June 30, Buy One, Give One is a “vacay layaway” program with amazing travel offers you can book now, for future travel, while also giving back. In return for bookings, participating hotel brands and properties will donate room nights or loyalty points to healthcare workers who can redeem them for future stays as a “thank you” to healthcare workers who have been tirelessly working on the front lines. #BuyOneGiveOneStay

## Program Mission

The impact of the COVID-19 crisis has been devastating to the travel and hospitality industry, with countless hotels currently closed globally and hospitality employees out of work. Buy One, Give One aims to provide immediate funds to hotels in this unprecedented time, in addition to providing a much deserved respite to those who have put their lives on the line to care for the sick.
