

CORK | FIRE KITCHEN WINE & SPIRIT MENU

Welcome

to Cork | Fire Kitchen, tucked away among the rolling hills where the sun breaks through the mist and granite soils create the terroir we have come to know as Southern California's Wine Country. Temecula Valley has been producing wine commercially since the 1970's and has been recognized as a producer of world-class wines.

The following list features wines, including some of my favorites, which have been specially curated for you to experience and enjoy. Whether you choose your favorite varietal or embark on a server-guided tour of our list, we are certain that you will find a wine to enjoy with food and friends, a wine that says...welcome!
