

The Dewberry

FLEXIBLE CANCELLATION POLICY:

We have modified our cancellation policy to provide guests with increased flexibility when travel planning. Guests may now cancel their reservations up to 24 hours in advance of arrival through March 31, 2021 and receive a fully refunded deposit.

CLEANLINESS & SANITATION:

The hotel continues to monitor guidance from the Centers for Disease Control and Prevention (CDC) and are following all health and safety guidelines provided by the South Carolina Department of Health and Environmental Control (SCDHEC).

- A limited number of room reservations will be accepted and whenever possible rooms will remain unoccupied for 24 hours between guests to allow for thorough sanitization and cleaning.
- The hotel's already rigorous cleaning regimens and protocols have been increased. Enhanced cleaning, sanitization and disinfection practices have been put in place throughout the property. These new protocols extend to all areas including: dining outlets, the spa, guest rooms and back of house spaces for employees as well as frequent "high touch" points throughout the hotel.
- Within our food & beverage outlets, we have implemented new precautionary measures in all aspects of food and drink preparation, set-up, and service. This includes frequent disinfection of all kitchen surfaces as well as all employees wearing masks and gloves while preparing, plating, serving and clearing dishes. All dining tables, chairs and common furniture will be disinfected after each guest use.
- Spa services will be conducted while wearing masks. There is increased time between appointments to allow for in-depth sanitizing of treatment rooms.

HEALTH & HYGIENE:

- Employee temperature check are administered daily. Anyone with a fever, showing signs of illness, or exhibiting virus symptoms will be advised to see a medical professional immediately.
- Guests of The Spa will have their temperature taken at time of check-in prior to appointment and are only permitted to bring small personal belongings to The Spa to stow in locker.
- Hand sanitizer is readily available throughout the property, both front and back of house and personal hand sanitizer will be placed in each guestroom for guests' use.
- Face coverings are required for all employees and guests within the hotel. Our entire team is trained on the importance of wearing masks, and gloves where applicable, and will be taking precautions to provide a safe environment for our guests. If you do not have a mask, we are more than happy to provide you with one.
- Procedures for physical distancing have been put in place throughout the hotel for both guests and employees. We ask that guests remain physically distant from one another and groups while on property. Employees will practice physical distancing by standing at least six feet away from guests when possible.
