

**LIVING  
ROOM BAR**  
**THE DEWBERRY**  
**Charleston,**  
**South Carolina**

Travel can make life complicated, which is why the seemingly effortless simplicity of a drink at the Living Room Bar can be such a welcome balm for the frazzled traveler. Relax on one of the midcentury-styled couches or grab a seat at the bar to sip impeccable fuss-free cocktails such as a classic Champs-Élysées or originals like the Dewberry Daiquiri, with pineapple rum, sherry and Peychaud's bitters.
