CLASS DESCRIPTIONS

AERIAL YOGA | Utilizing a fabric hammock suspended from the ceiling, this unique yoga practice allows you to overcome gravity as you glide and release into each pose safely.

AQUA FIT | *(Complimentary to all Hotel/Spa guests)* at the Sunset Beach Pool. A low impact workout, water-resistive toning coupled with Aerobic maneuvers. Wear swimwear. For all levels, weather permitting.

BARRE BURN | Techniques of Pilates, Yoga, upper-body strengthening, lower-body strengthening and lengthening, utilizing the Bender ball, bands and light weights. Exercises are designed to tighten and tone muscles without adding bulk to create balance, good posture and flexibility.

BOOT CAMP (OUTDOORS) | Bodyweight exercises, interval training, functional movements and agility drills. Different equipment used to challenge, inspire and motivate participants while offering modifications to accommodate all levels of fitness.

BOSU FITNESS | An effective muscle-building, balance and cardio workout focused on using the Bosu ball!

CARDIO / CORE | Burn Calories, improve your posture and build core muscle groups through a variety of exercises designed to strengthen your abdomen and back muscles.

DEEP YOGA STRETCH | A very gentle stretch and Yin yoga class, consisting of postures on the floor that are held for an extended period of time (which helps improve flexibility). Props may be used such as blocks & straps.

FLOATFIT FITNESS | A full-body interval workout consisting of Yoga and balance moves, squats, lunges, planks, burpees and lots of fun fitness moves on the board at the spa rooftop pool.

HATHA YOGA | A balanced yoga practice that uses slow movements and focuses on proper alignment and breathing.

MAT PILATES | A traditional mat class designed to introduce the basic Principles of Joseph Pilates. Exercises to strengthen and lengthen, improving the posture and core powerhouse.

HIIT PILATES | Combining the fundamentals of mat Pilates with high-intensity intervals that will challenge your core, flexibility and strength.

RIDE & DEFINE | Exhilarating cardiovascular spin class involving various cycle drills! Intervals of cycling and off-the-bike exercises will help you get the most 'bang for your buck'!

SPIN (OUTDOORS) | An exhilarating cardiovascular spin class, involving various cycle drills.

STRENGTH TRAINING | Improve muscular strength, endurance, and cardiovascular fitness using a variety of equipment to create a well-rounded workout experience.

TRX FUSION | Suspension workout designed to build strength, flexibility and endurance while strengthening your core.

GENTLE YOGA | A slow-paced practice combining gentle yoga poses, breath work, strengthening and stretching the entire body through flowing sequences and held postures. This class is an invitation to relax, unwind and de-stress.

TOTAL BODY SCULPT | A great way to define, sculpt and build lean muscle. Focuses on intense isolation exercises with free weights and resistant bands.

WELLFIT CIRCUIT | Challenging advanced full-body circuit workout with multiple styles that will benefit your total fitness levels and test your limits.

YIN YOGA | This slow-pace meditative style of yoga is designed to improve your range of motion by holding static stretches. Focuses on connective tissue, increasing circulation and joint flexibility.

YOGA NIDRA (30 MIN) | A form of guided meditation done lying down on your mat. Its uniquely challenging emphasis on extended stillness, silence and resting the body to exercise the mind.

YOGA FLOW | Awaken the body with breath work and a longer warm-up to prepare your body for an active flow.

YOGA / MEDITATION (90 MIN) | This class is the perfect combination of breath, movement and deep relaxation.
