

FARMHOUSE

The mission of our wine program at The Restaurant at Farmhouse is twofold: to offer our guests the best of Sonoma County wines and to complement this selection with a diverse and thoughtful array of international wines that typify the geography and culture of their origin. Our bias is towards wines of balance, finesse, character, and subtlety, which enhance the nature of our food.

If you are visiting from outside the Bay Area, we encourage you to discover the world-class quality of Sonoma County wines. For our local guests, please do not hesitate to open your palate and explore the diverse and ever-changing world of wine.
