

## FROM THE FAMILY

Dear Epiphany Club Members,

It's hard to believe Fall is here and that the holidays are quickly approaching. What a crazy year it's been. We so appreciate you sticking with us through these challenging times.

As you may know, Epiphany turned 20 this year! Although we may not have been able to celebrate with the events we had planned, we're thrilled to have achieved this milestone and are feeling very proud of the fantastic Rhône wines we make and grateful for people like you that we've met along the way.

We've received a ton of great feedback about our seated, tasting experiences and recently installed Tock so that making a reservation with us is much easier. You can now conveniently book online with us at [epiphanywineco.com](http://epiphanywineco.com).

Again, thank you so much for your support this year, we hope to see you much more in 2021.

Best,

*The Fess Parker Family*

WINEMAKER NOTES

Scents of cantaloupe and orange zest immediately jump from the glass with hints of jasmine, vanilla, beeswax and pie crust. Our Marsanne is dry and richly textured with citrus flavors that linger on the palate along with lemon curd, golden delicious apple and a touch of honey and vanilla.

Seafood is a classic pairing with Marsanne, especially richer varieties such as lobster, crab or mussels. But don't be afraid to try new dishes with this versatile, food friendly wine. From chicken to pork, spicy flavors to Asian cuisine, even cream sauces or an array of cheeses, Marsanne stands up to them all.

WINEMAKER NOTES

A dark ruby in the glass, our 2018 Grenache is fruit-forward and aromatic with a crisp acidity. Dark fruit aromas of black raspberry, blackberry and black cherry steer the aromatics backed by baking spices, anise and lavender. We decided to blend this vintage with a touch of Syrah to add tannin and depth. On the palate, black cherry and blackberry preserve shine through rounded out by herbs de Provence, dark chocolate and vanilla.

Grenache's spice lends itself to be paired with spiced and herb-heavy dishes. Roasted meat and vegetables or a grilled tuna steak are natural choices along with many ethnic foods.

WINEMAKER NOTES

Known and loved for its extraordinary inky color and full-bodied flavors, Petite Sirah has become a staple in the Epiphany lineup. Blueberry, blackberry, plum, baking spices, smoked meat and tar aromas cannot be contained within the glass. Rich and balanced, this Petite Sirah will flood the palate with dark fruit flavors, dark chocolate, cinnamon and grilled herbs with a touch of vanilla coming through on the finish.

Petite Sirah is at its best when paired with richer, more fatty foods or bold exotic spices and herbs. Try with chicken in mole sauce, beef stroganoff, an aged gouda or blue cheese. If looking for a vegetarian option, sautéed mushrooms or stuffed peppers would hold up beautifully to this show-stopper.
