Cans Really Are a Thing!

Our new cans are a portable, space efficient and delicious way to enjoy two of Epiphany's most popular wines. Each 375 ml can of the 2019 Grenache Rosé and Grenache Blanc is the equivalent of half a bottle. The hand drawn roses and California poppies are a fun (dare we say cute?) addition to your wine fridge or cooler. Look for them in the wine shop at fessparker.com.

Calendar Kaput

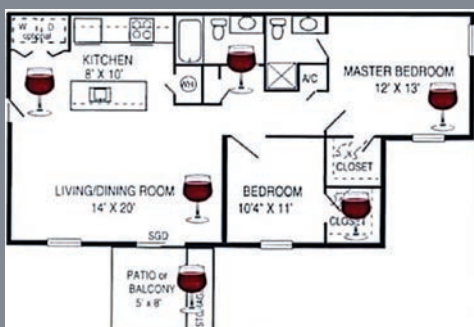

While Tim and I were having a fabulous time pouring our wines at Charleston Wine & Food in early March we never dreamed that everything else on our spring travel and event calendar would be cancelled due to the COVID-19 health crisis. We are doing our best to be good citizens and employers, but these certainly are tough times for everyone.

Our plan is to reschedule the 2020 Release Day Weekend to August 15th and 16th but as you all can appreciate those dates may need to change again. We will of course let you know when we are permitted to reopen the tasting room to visitation. Please follow us on Instagram and Facebook @fessparkerwinery for all the latest information and special offers. In the meantime we wish all of you good health, patience and perseverance!

Sincerely,

Ashley, Tim & Eli

Head Winemaker

Well, these are definitely some uncertain times we are living in at the moment! Luckily, we have wine to get us through it!

We are still hard at work in the winery with racking barrels and bottling wines. As I am typing this, we are bottling our 2018 reserve Pinot Noirs. The 2018 Pinot vintage is my favorite to date! It reminds me of the exquisite 2007 and 2012 vintages. It was a very cool, moderate vintage where flavors were able to develop, and we were able to leisurely harvest the grapes at the perfect ripeness. Very rarely is this the case anymore, and it was a breath of fresh air having a vintage that compared to the best in the last 20 years! These 2018 Pinots are extraordinary, and I am excited for their release! We also have a new addition named "1971" from the Sanford and Benedict Vineyard in the Sta. Rita Hills. This wine comes from the original planting by Richard Sanford in 1971. The wine

Blair Fox

is very feminine and elegant with fresh, bright acidity, beautiful texture and mouthwatering red fruit and spice. I am excited for you to taste these beautiful wines!

In the vineyard we are seeing our first bud-break with Chardonnay and Pinot Noir. We had a very small winter rainfall with only around 6 inches of rain and then came "miracle March," which more than doubled that. We needed the rain and it came at the perfect time! Hopefully Mother Nature continues to be kind to us in the vineyard and the COVID-19 scare is firmly in the rear-view mirror.

Best wishes, and stay safe and healthy!

THE INNSIDE SCOOP

The Sunny Side OF THE HILL

While Santa Barbara is known the world around for its scenic beaches, Los Olivos has the edge come summer – when fog closes in along the coast and tourists experience Santa Barbara's dreaded "June Gloom." It's a great time of year to pop over to the sunny side of the hill – where the temperatures are toasty and just right for some outdoor activities such as bike rides, hiking, and wine tasting – of course!

Come visit us at the Inn this summer, in the heart of Los Olivos, and venture out to experience the "sunny side of the hill."

Please note: The Inn is temporarily closed due to the COVID-19 crisis. Please check the website for status updates.
