The World of Parker

We love that Samuel carries on his great-grandma Marcy's maiden name, *Rinehart*.

Baby Boom!

Happy 2020 from Los Olivos! Hopefully all of you enjoyed the holidays and made the most of time spent with family and friends!

Speaking of family, Eli's side of the family tree continues to blossom. His youngest daughter Olivia and her husband Jonathan welcomed their adorable son, Theodore Raymond Swift, in early October. Shortly thereafter, Amanda, Eli's middle daughter, and her husband Josh brought their third son, Samuel Rinehart White, into the world. We call him the "Wittlest White" and he sure is a cutie! Samuel and his cousin Theo are going to be a force to be reckoned with in a few years! Gen 4 is shaping up nicely!

Most of you may have heard by now that The Bear and Star closed at the end of December. Ever optimistic, we are very excited about our new operators and rest assured, all will be revealed in mid-February. Stay tuned!

We hope to see many of you at the winery on February 29th for OTBN. Until then, thank you all for your continued support!

Ashley

Some of us have four legged grandchildren, but fortunately Toby cleans up well.

Theo already looks like a regular in the tasting room.

Head Winemaker

The 2019 harvest started looking a lot like the beautiful 2018 vintage of last year in the beginning with a wet winter and late start to the season. Toward the end of the vintage, a warm weekend at the end of September pushed all of the Pinot in the Sta. Rita Hills to full ripeness. This warmth also pushed the Rhône varieties through veraison at some sites that were lagging behind. Before this it had been a very cool vintage and the heat was a blessing for the Rhône varieties. We picked our first Syrah from the Estate on the 15th of October. This gave us plenty of time to finish pressing off the Pinot Noir and work on getting it to barrel. The Syrah, Grenache and other Rhône varieties ripened at the same time with nice warmth in October and into the beginning of November with our last Petite Sirah and Mourvèdre being harvested on November 11th. Overall, it was a very cool, long vintage that resulted in ripe, mature flavors with good balance and lower acidity. Cold, late

November rains opened the winter season and pushed into December greening our hillsides and preparing us for the winter months to come.

In the winery, we finished barreling down the 2019 wines and cleaned the winery from top to bottom. Riesling and the vineyard designated Pinot Noirs are being assembled for bottling, while we are all looking forward to a much deserved break over the holidays!

I hope you have an amazing Holiday Season with family, friends and of course...wine! As always, it is a pleasure making wine for your enjoyment.

Cheers!
