VINEPAIR

Our Addendum Cabernet Sauvignon, Napa Valley, 2017 was featured in a *Vinepair* article titled "The 25 Best Cabernet Sauvignons for 2022," receiving 91 points and reviewing it as "A soft and soulful Cabernet Sauvignon from the Napa Valley, this wine pops with berry fruit and hints of prickly peppery. The wine's texture is rich and settles on the palate with noticeable weight. Overall, the lasting impression is of power and velvet smoothness."

WORKING HARD & GOOFING OFF

There is a theme to this World of Parker update, and it goes something like this: Tim works really hard and the rest of us goof off. *Just kidding!* The proof is in the photos.

At right is a photo of Tim representing the winery at a SBCVA trade tasting in San Diego on June 16th. He really took one for the team that night as his beloved Golden State Warriors were on the road in Game 6 of the NBA Championship. Then came the news that he had been elected President of the board of the Santa Barbara County Vintners' Association (for the 2nd time), so congratulations to him!

Meanwhile, three of Fess's grandkids (Kris, Katie and Amanda) and a slew of great grandkids spent a long weekend at Disneyland and stopped by Frontierland for a photo in front of Fess's window in the Mercantile. Braeden Parker is certainly taking after his grandfather in the height department!

Finally, in the interest of fostering positive relationships between family business entities, I teamed up with Wine Country Inn General Manager, Rick Segovia, to play in the 3.5 Division of the Santa Maria Pickleball Club tournament. We lost in a tiebreak in the semi-finals, but the pickleball partnership is going strong.

Here's hoping you are all healthy, happy and enjoying your summer! We look forward to seeing you soon.

Ashley

HEAD WINEMAKER

Wow, this year is really flying by! I can't believe we are firmly into summer and the hot weather finally hit us here in Los Olivos! We started out with a cool, mild summer, and then things started to heat up at the end of June and into July. Ninety-degree temperatures are common this time of year, but it seemed hotter to me this summer. Good time to be by the pool sipping on a chilled Dry Riesling or Pinot Noir Rosé!

In the vineyard we have seen good spring and summer vegetative growth, with the help of well water, since we didn't get a lot of help from Mother Nature with irrigation from the sky! The initial crop projections seem to be a little bit smaller this year, harkening back to the 2019 vintage, which was a good one!

We are busy racking barrels, putting together blends, and bottling in the winery. With all of this wine work comes a lot of cleaning and making sure all the tanks, winery equipment, and floors are sanitized. Cleaning and sanitizing are some of the most important and labor-intensive parts of quality winemaking. We have recently bottled our 2021 Rhône White wines like Viognier and Marcella's, and next up are our 2021 reserve Chardonnays. We are also working on our 2020 Rhône Red wines like Big Easy, Rodney's Syrah and Santa Barbara County Syrah. After that we will blend and bottle the 2021 Santa Rita Hills Pinot. I am very excited about these lower alcohol, brightly acidic Pinots from the 2021 vintage!

I hope you enjoy the wines, and from the whole team here at Fess Parker Winery, *cheers!*

UPCOMING FALL TASTING EVENTS

Our Educational Tasting Series Returns this Fall!

We have a blind tasting event planned at Fess Parker for Friday, September 23rd. If you have not experienced tasting wine “blind,” you are in for a treat. Without fail, there are fun surprises and discoveries when tasting wines with biases and preconceived notions muted in this format.

We also have two library tasting events planned – one on October 21st at Epiphany and one on October 28th at Fess Parker. During these tastings you’ll be able to taste through a selection of older vintage wines from the Fess Parker Family’s library.

At each of these events, guests taste through three flights of wines and light bites will be served between each flight. Head winemaker, Blair Fox, and members of the Fess Parker family will be on hand to guide the tasting.
