### Pisces: Asheville, North Carolina

Pisces love embracing nature, so what's in the cards for this water sign is a getaway full of fresh air and wide-open spaces. Go off the grid in Asheville, North Carolina: a sweet Southern city surrounded by the picturesque Pisgah National Forest. Hiking and biking is a must, as is unwinding at with a cold pint one of the city's many craft breweries. Opt for a pampering moment with The Foundry Hotel's Relax and Unwind package (perfect for the romantic Pisces) includes an in-room tea party (courtesy the local Asheville Tea Company) and a full-body massage and silk polish exfoliation.
