Sun in my Belly Café + Catering creates exciting, visually-driven, haute cuisine using seasonally fresh local fare that features an artful flair, distinguished by intricate, nature-driven themes. Our signature dishes are created with a passion for gorgeous, delectable and uniquely decadent cuisine. When Picasso was asked what it was that inspired him to create, his response was, "The Sun in my Belly". We specialize in the details behind life's most important moments: You provide the inspiration - we'll create the rest.
