**What** Named the No. 1 Hotel in the U.S. for TripAdvisor's Travelers' Choice Awards, French Quarter Inn is a distinct luxury hotel for sophisticated travelers, offering guests a "home away from home" while visiting one of the country's most visited destinations. The bustling City Market and Charleston's top dining, shopping and cultural destinations are just footsteps away.

French Quarter Inn's communal lobby features elegant design touches, including hand-crafted iron work and a majestic skylight, while the spacious outdoor terrace is the ideal place to unwind after a busy day exploring the city.
