Loose Teas and Herbal Infusions

English Breakfast

This simple China Black tea is reminiscent of the tea that the English drank regularly in the 1800s. Full to medium bodied with hints of toast and honey, its strength lies in its simplicity, as well as its affinity for milk and sugar.

Darjeeling Black

The “queen of teas”, this is a blend of first flush and Autumnal teas from the finest tea gardens in the Himalayas. It has a light golden color and a fragrant “nose” of bright citrus along with darker notes of stone apricots and plums.

Love Life Green

Sweet flavors of coconut, vanilla and the high notes of strawberry are juxtaposed with darker notes of puffed rice.

Jasmine

Fresh Jasmine Flowers are added to a base of Pouchong tea to create a delicate and fragrant brew.

Egyptian Chamomile

A fragrant, relaxing herbal infusion, completely caffeine-free and wonderful with a touch of honey. It is made from the heads of Egyptian Chamomile flower and has subtle notes of apple.

Mother's Bouquet

A beautiful and refreshing caffeine-free herbal blend created in honor of all mothers. It features chamomile flowers blended with rosebuds, cornflowers, and orange peel, infused with citrus flavor.
