**THE WALNUT ROOM AT HOTEL NORTHLAND TO OPEN FEBRUARY 14th FOR
VALENTINE'S DINNER**

GREEN BAY, WI, January 24, 2019 — The Walnut Room is ready to become Green Bay's new favorite restaurant for dining, cocktails and for downtown "power breakfasts," when it opens for dinner on February 14, 2019. The restaurant's opening coincides with the official opening of Hotel Northland, Autograph Collection® which opens on February 14th to its first overnight guests.

"The Walnut Room is original to the 1924 hotel and is truly a classic space in every sense," said John Williams, General Manager, Hotel Northland. "It's fine dining without being stuffy or pretentious, but always with impeccable service. Guests will find this to be a warm and welcoming environment, and it's all anchored by a stunning, crescent-shaped bar."

The Walnut Room will be open for breakfast and dinner. The full dinner menu of culinary offerings includes prime steaks, fresh seafood, wild game, and house-made pastries.

"Everything in our restaurant is made with locally sourced, seasonal ingredients," said Chef J.R. Lundy, Executive Chef for the Hotel Northland. "Bread is made fresh onsite daily, and we specialize in creating both desserts and charcuterie right here in our kitchen."

Cocktails in The Walnut Room are handcrafted with fresh-squeezed juices and syrups made onsite, reminiscent of the 1920s, and local craft beers are on tap. The extensive wine list features over 200 selections.

The Walnut Room seats 76 guests and in addition, offers a private dining room that accommodates up to 18 patrons for intimate events, special gatherings or milestone anniversaries. Breakfast is served seven days a week, from 6:30 a.m. until 11 a.m. Dinner will be offered Monday through Saturday, from 5 p.m. until 10 p.m.
