

OCTOBER 2019

GREENWOOD

COMPANY RECOGNITION

This past week the 2019 Marriott MINA conference was held at the JW Marriott in Scottsdale, Arizona. The attendees included operators and owners of full-service hotels across North America. We are proud to announce Greenwood Hospitality was nominated in two significant categories, including GUEST EXPERIENCE EXCELLENCE AND FOOD & BEVERAGE EXCELLENCE in the Large Portfolio segment. Three companies earned nominations in each category.

To be nominated is a significant achievement for our portfolio. We are proud to announce Greenwood Hospitality won in the GUEST EXPERIENCE category. The Guest Experience award recognizes the hotels and management companies that lead the way in creating outstanding results in all aspects of the guest experience.

On behalf of Greenwood Hospitality, we applaud the efforts of our ambassadors in their commitment to provide the highest level of service and overall experience for our valued guests. Please be assured YOUR hard work and contributions are greatly appreciated.

Congratulations!
