Entry Level-Dive Instruction Courses

Discover Scuba Diving* **\$122**

(Resort/Introduction course)

This half-day program includes instruction, a shallow skill session followed by a shore dive which may be counted towards your certification, if you decide to continue. The minimum age is ten.

Additional Discover Dives* **\$86**

Enjoy a professionally guided dive following your Discover Scuba Diving Course (40ft/ 12m maximum depth)

Scuba Diver Certification** **\$330**

Following this two and a half day program, you will receive certification which allows you to dive with a professional to a maximum depth of 40ft/ 12m.

Open Water Diver Certification** **\$476**

This is a four- to five-day course and includes classroom, confined water training and four open water dives. Following this training, students are certified to dive with a buddy to a maximum depth of 60ft/ 18m.

Open Water Referral (PADI) **\$317**

If classroom and pool work is completed at home, you can take advantage of our warm and clear waters. For PADI referrals this course includes four dives over two days.

Scuba Diver to Open Water Completion* **\$336**

Upgrade from your Scuba Diver Certification to an Open Water Diver Certification by completing 2 days of training.

E-Learning Course Completion* **\$384**

Complete a water training after you've mastered diving theory online.

Guided Adventures

Guided Shore Diving \$50 per person, Minimum 2 people
Explore Bonaire's Coastline on a personalized guided dive. Truck rental not included

Guided Paddle Board Tour **\$31**

Guided Kayak Tour **\$31**

Guided Fluoro Night Dive **\$92**

Experience the magical world of underwater fluorescence. Blue light and special mask visor included.

Advanced Level-Dive Instruction Courses

Adventure Dives **\$80**

You can take your Advanced Open Water Diver Course one dive at a time and experience only the specialty areas that interest you. There is no time limit to complete the Advanced Certification.

Adventure Diver **\$232**

The course is three dives and can be conducted in one to two days. There is little classroom time. Most any of the specialties listed can be selected. This course counts towards Advanced Diver Certification.

Advanced Open Water **\$342**

The course is five dives and can be conducted over two to three days. There is little to no classroom time. Core dives are Deep and Navigation. Then most of the specialties listed can be picked for the other three dives. Each of these dives can count as the first dive of the related specialty.

Rescue Diver **\$470**

This program is three to four days, covering self rescue, problem prevention and rescue techniques.
