L'AQUA È VITA WRAP 50m

Inspired by the healing properties of Italy's mineral waters, this age correcting body wrap cocoons you in a firming body gel, rich in hydrating sea minerals. Skin toning extracts are absorbed as you receive a soothing massage to penetrate all the firming elixir to immediately hydrate, tighten, and stimulate the skin. After repeated use, a long-term age reversal effect will be noticed on skin lacking elasticity due to childbirth, sun damage, significant weight loss. *Series package available.*

RIVIERA SCRUB 80m

Tranquility is achieved with this all-encompassing experience that holistically addresses each aspect of wellbeing. The result is a deeply calming and rejuvenating effect.

RITUAL DETOX 80m

Crafted to help your body purge toxins and restore balance, this treatment begins with a stimulating dry brushing. Parafango, which is a luxurious blend of mineral rich sea mud and warm paraffin, is then expertly applied to your extremities and wrapped for maximum absorption.
