## MEET HAYDEN

A member of Preferred Hotels & Resorts, Hotel Hayden is a fashion-forward, independent boutique hotel in the heart of Chelsea, just steps from New York City's Fashion, Flower, and Meatpacking Districts. Part of Fortuna Realty Group's NYC hospitality portfolio, the full-service hotel near the High Line, Chelsea Flower Market, Bryant Park, and the Empire State Building features all-day dining, a rooftop bar, and private meeting and event space.

## ROOMS

With 120 trendy rooms and 2 penthouse suites featuring colorblock headboards, spacious work desks, and upholstered furnishings, Hotel Hayden is a vibrant retreat in the heart of New York City. Ease into a comfortable, pillow-top bed, switch on the flat-screen TV, and raid the well-stocked mini-fridge. All the essentials you expect of Preferred Hotels & Resorts are right here, including a Keurig coffee maker, electronic safe, plush bathrobes, premium bath amenities, and in-room dining.

## DRINKS & DINING

Hotel Hayden is home to Mykonos Blue, one of Chelsea's hottest new restaurants. Offering breakfast, lunch and dinner daily, both indoors and on an outdoor patio, Mykonos Blue serves classic Greek cuisine made with all-natural ingredients. And after a busy day in the city, where better to wind down than Mykonos Blue Rooftop, a neighborhood hotspot for skyline views and signature cocktails paired with wines and light island fare.

## MEETINGS & EVENTS

Equally suited for meetings and social gatherings, Hotel Hayden offers two sophisticated, exclusive settings for private events. On the lower level, Hendricks is a flexible, 480-square-foot space for 10 to 30 guests; the rooftop is an inspiring setting for 10 to 100 guests. Allow our experienced meeting and event planners to coordinate everything, including A/V and tech support, onsite catering, and competitive group rates and room blocks.
