INTOUCH WITH WHAT'S ON FIRE THIS WEEK

CAN'T-MISS DESTINATION

Check into **Hotel Hugo** for the stylish and sophisticated guest rooms, but stay for the spectacular views of lower Manhattan. Not to be missed is the year-round rooftop lounge, Bar Hugo, where the bartenders are whipping up some of the best cocktails in Soho. If you don't feel like exploring nearby restaurants, grab a bite at Café Hugo featuring a delicious farm-to-table menu. (hotelhugony.com)

PACK IT UP

G-RO is expanding its luggage line with **The Backpack Light Classic**. This everyday bag has a sleek design and a bunch of useful features like a protective laptop pocket and an external USB port for charging on the go. It comes in a stingrey polyblend (pictured) color or classic black nylon. Bonus: The bags are made with water-resistant materials! (\$199, g-ro.com)

POWER SNACK

Satisfy cravings and fuel up for a workout with **ONE Almond Bliss protein bar**. This gluten-free coconut almond bar combines delicious ingredients into a grab-and-go fitness bar. Packed with 20 grams of protein and just ONE gram of sugar, it makes for the perfect healthy meal replacement to gear up for the new year. (onebrands.com)

SEASONAL STAPLE

Eddie Bauer's Women's Ladder Creek High-Pile Parka is a versatile coat that will carry you from fall to winter – and even into early spring! Available in two colors, it's water-repellent and the shell is lined with plush sherpa fleece and flannel for added warmth. (\$199, eddiebauer.com)

CUT THE CARBS AND LOSE THE POUNDS!

Carrying a bit of extra holiday weight? Drop the extra pounds with **Zuccarin Diet**, a weight-loss product from Scandinavia with mulberry leaf extract. It reduces sugar absorption in the body and according to the company, it's clinically proven to help you lose up to 20 pounds in 90 days. Available at Walgreens, Amazon and newnordicusa.com.

Our Hottest Pick!

CAN IT

Is there ever a bad time for rosé? We don't think so. **Rosé All Day** is bottling their signature French rosé in a can. Of course it looks cuter than the six-pack you're used to, but it's also refreshing and features scents of watermelon and strawberry. (four-pack for \$16.99, thinkliquor.com)
