Dry January... adios! See ya. We're all glad to see the back of you.

Who's been craving that Friday night pint? That glass of red with a Sunday roast? As for cocktails, we've forgotten what a mojito tastes like.

Thankfully, it's time to get excited about booze again, and what better way, than with our pick of the coolest bars around the world.

With all that money we've saved, we're totally justified in booking a holiday...

## 5. **Hotel Hugo, New York**

We're a little bit in love with the amazing views of the Hudson River, Freedom Tower and Statue of Liberty from Hotel Hugo's rooftop bar. Order a cosmo and get ready for a night of Sex and the City glamour.
