### **Santa Monica's Oceana Hotel Gets Transformed**

Reservations are now being taken for May at the Oceana hotel in Santa Monica. The \$25 million renovation into a private residential hotel features an all-new entrance and lobby, 70 guest suites with ocean views, an

outdoor lounge with a pool, and a fitness studio and spa. A private indoor-outdoor restaurant and bar will be curated by a yet-to-be-announced Santa Monica restaurateur. Studios and one- and two-bedroom suites feature custom high-end furnishings and luxury soaking tubs. Bikes, house cars and yoga on the beach are among the services available.
