Spa Rituals

Land of Enchantment

Begin your spa ritual with an aromatic mineral replenishing body polish to awaken and smooth your skin. This is followed by a nurturing warm stone massage, relaxing to your deepest core.

115 Minutes \$275

Healing Earth

Our healing package opens with a calming lavender foot bath. After a light body brushing to exfoliate the skin and stimulate the lymph, the ritual continues with a detoxifying and purifying ancient volcanic clay body mask infused with harmonizing and soothing oils of lavender and sandalwood. A customized massage completes this healing ritual.

115 Minutes \$265

Sacred Indulgence

Indulge your spirit in the sacred scents of the high desert. Your treatment begins with an aromatic cedar, wild sage body polish to exfoliate and sooth dry, dehydrated skin. Following this, we apply a hydrating body mask blended with oils of juniper, pinon and cedar to regenerate and further nourish parched skin. A full body massage completes this sacred journey.

115 Minutes \$265

White Sage

The relaxing power of massage combined with the ceremonial scent of native sage will clear away travel fatigue and stress. Special attention is given to tired feet with a concentration on reflexology points. Our sage infused herbal wrap grounds and detoxifies, allowing you to enrich your Southwest experience.

115 Minutes \$265

Wind & Mountain

Purify and restore with the rebalancing elements of nature and massage. Your treatment will begin with a gently exfoliating body scrub of your choice, then finish with a therapeutic massage. Emerge feeling radiant from head to toe.
