THE EXPERIENCE:

Get inspired by the unique outdoor dining space at Market On Main. Enjoy dinner and drinks from their gourmet menu and cocktail selections with a \$100 gift card. Did we mention they have a specialty market with a huge selection of local goodies?

After you've filled your bellies with deliciousness take a 15 minute stroll to one of our local favorites, Studio Cellar. There you'll have two seats with blank canvases waiting for you. *Enjoy an entertaining and instructional paint class as you sip on beverages of your choice, the first one is on us!

You'll also receive 2 general admission tickets to our beloved Columbia Museum of Art - minutes away by foot - to check out whenever is most convenient.

*2 drinks, each at \$12 or less. Gratuity is not included.
