THE EXPERIENCE:

Upon arrival you will be greeted with a bottle of wine and two Hotel Trundle signature keepsake wine glasses. Hang on to those goodies and bring them along as you start the evening out with 2 reserved seats in one of Chef John Militello's culinary classes at Let's Cook, just a 10 minute walk from our front doors.

After you've finished contemplating a career change to the culinary arts, make your way back to Main St and enjoy the beautiful rooftop views at a neighborhood favorite, Hendrix.

*There you will receive priority seating to enjoy a night cap beverage and dessert to share.

*2 drinks, each at \$15 or less
