THE EXPERIENCE:

Hey, if it ain't broke don't fix it. Keep it simple with the classic night out: dinner and drinks. You get to choose between a little Cocktail 101 where the experts behind the bar show you and your plus 1 how to craft a delicious cocktail OR pick the good old fashioned wine tasting - can't go wrong with good wine, am I right?

Afterwards, be seated for dinner and tantalize those taste buds with a French inflected tasting menu by Chef Christopher Holme. Good thing Hotel Trundle is only a block away (you're going to want to walk)!

*Gratuuity included.
