

MEET WITH CONFIDENCE | VIRTUAL & HYBRID EVENTS

Partnered with PSAV, **InterContinental Miami** is pleased to bring Virtual or Hybrid technology services to your next event. We know having a specialized team is critical to the success of your program and meeting your program's objectives.

The **On-Site Virtual Events team at InterContinental Miami can help the show go on** - Key presenters or attendees unable to attend due to travel restrictions, space limitations, remote office locations or to meet today's distributed workforce. We can also keep your loved ones connected and capture those special moments with you...

Audio-Visual services you can rely on:

- Onsite network management offers real time analytics such as bandwidth usage.
- Meeting floors heat-mapped for consistent and even connectivity monitored in real time.
- Hotel offers a primary fiber circuit of 1 GBPs
- Custom passwords for all dedicated bandwidth requests.
- Wireless and hardline internet access throughout all meeting spaces, common areas and guest rooms.
- State-of-the-Art and Customizable lighting system in the Grand Ballroom.
- Video / Audio link in between meeting rooms and even guest rooms possible through PSAV.
