

THE
WILSON

drinks

There's something about Rockaway...

Ryan Quinn sat on the dock as he watched his bulldog Wilson jump in and out of the water. In lieu of his favorite tennis ball, Wilson was fetching unsuspecting fish - he'd dive in the water, snatch them with a gentle nibble, proudly present them to his best friend, then toss them back. Dive, catch, release, repeat.

It wasn't long before Wilson's antics caught the attention of a nearby captain, who strolled down the dock to get a closer look.

"Do bulldogs typically fish?" he asked.

Ryan chuckled and responded, "No, they don't. But Wilson's never been a typical bulldog."

The captain smiled, slipped out of his boat shoes, and sat down next to Ryan with his toes in the water. "I've always loved bulldogs, he said, as he watched Wilson release another fish. "Strong, sensitive, loyal."

"He really is my best friend," Ryan said, as he, his new friend, and his old pal watched the sun slip below the horizon.
