

Jasper's Corner Tap & Kitchen Clean + Safe Program

For your safety and ours, Jasper's Corner Tap & Kitchen has implemented our "Clean + Safe" Program. This program was created utilizing guidelines set forth by the CDC, FDA and OSHA. These guidelines, outlined below, are updated regularly to help ensure that together, we stay safe.

Jasper's is currently available for "To-Go" and Delivery Orders Only.

Appropriate PPE utilized in preparation of all orders

Food provided in disposable packaging; all items are prepackaged including Silverware/Sauces

Electrostatic Disinfectant Sprayers utilized for cleaning, multiple times per day

Employees complete temperature checks daily prior to their shift.

Hand Sanitizer Dispensers located throughout public areas

QR code available to view full Jasper's Menu
