Yoga at Jungle Bay

Many of our guests try yoga at Jungle Bay for the first time and are surprised of often the immediate changes within their bodies and minds.

The practice will help you to stretch your body, to release tension, to restore your body as well as your mind.

The yoga classes are suitable for all levels and are a mix of gentle yin, restorative, and Hatha yoga.

Restorative yoga is a slow and restful practice that is all about opening and calming your body through passive stretches and relaxation.

Yin yoga is the perfect balance to intense exercises with slow and active stretching components. The subtle release takes you deeper into the poses and improves joint mobility as well as flexibility.

Hatha yoga can be considered an umbrella term to describe many of the most common forms of yoga helping to strengthen your body, find balance, and relaxation at the same time.

Wear comfortable form-fitting clothing with a bit of stretch.
