## TENNESSEE-TAI

**BRUGAL 1888 RUM, ORANGE, PINEAPPLE, LIME, ORGEAT, BITTERS**

The Mai-Tai is one of the most famous cocktails to come out of Tiki culture in California. In the 1940's Tiki bars Trader Vic's and Don the Beachcomber were at the center of the drink's creation and popularity. Our version of this refreshing drink in Tennessee is the perfect drink to beat the summertime heat.

## DEVIL ON DEMONBREUN

**BRUGAL 1888 RUM, GINGER, CRÈME DE CASSIS, FALERNUM, LIME**

This twist on a classic Diablo cocktail substitutes Brugal 1888 Rum for Tequila. The addition of fresh lime juice, crème de cassis, ginger and Velvet Falernum provide a complex and invigorating drink to cool down with. Those who come up here for one drink might be tempted by the devil downtown to have a second cocktail, and we think that's a heavenly idea.
