

POP CULTURE + DESIGN

Le Parc Suite Hotel

[Le Parc Suite Hotel](#) is the perfect, newly renovated spot to safely begin your travels with. Inspired by its location in West Hollywood, Le Parc Suite Hotel's modern redesign features a curated collection of locally inspired original artwork and a sophisticated architectural palette.

"We are thrilled to introduce the new Le Parc Suite Hotel in our dynamic city of West Hollywood," said Bert Seneca, general manager of Le Parc Suite Hotel. "Our revitalized hotel is designed as a place for everyone, as reflected in our diverse artwork, inviting amenities and exceptional service. We're proud to welcome guests to Le Parc Suites where they'll experience the energy of West Hollywood combined with the comforts of home."

Le Parc's Peace of Mind Promise adheres to all Safe Stay Guidelines put in place by the American Hotel & Lodging Association, which are based on guidance and direct feedback from the CDC. Le Parc is an ideal destination for a safe retreat with individual HVAC units in each suite for fresh air, kitchenettes for dining in, staircases as alternatives to elevators and uncrowded public spaces.

Drawing influence from its West Hollywood location, Le Parc features brilliantly curated original artwork throughout the hotel including a [Charlie Edmiston](#) mural, [Scott Hile](#) "LOVE" mural, pop culture portraits by [Srinjoy Gangopadhyay](#), and [Craig Alan](#) paintings.

The renovations also include a modern fitness center and rooftop pool. Le Parc has built a brand-new, state-of-the-art fitness center with equipment for cardio, weightlifting, resistance training, yoga and stretching. The fitness center also offers a complimentary Peloton available to guests on a first-come basis.

In celebration of the redesign, Le Parc has created a special offer, called “The Ultimate Threesome,” combining you, plus one huge suite, plus free overnight parking. Travelers can save with this offer as they enjoy delicious cuisine from Le Parc’s restaurant, Knoll, relax on the Skydeck, and feel safe with the Peace of Mind Promise.
