Lodgco Hospitality Holds Ground-Breaking Ceremony for New Hyatt Place Hotel in Mundy Township

Mundy Township— May 17, 2018 — Lodgco Hospitality held a ground-breaking ceremony to build their 106-guest room hotel located on Hill Road and US-23. Company representatives, local dignitaries and community members were in attendance to celebrate the ground-breaking on Genesee County’s newest hotel.

“We believe that the Hyatt Place is the right product for this market,” said Ann Kelly, President at Lodgco Hospitality. “This isn’t our first hotel in the market, the Hampton Inn Flint/Grand Blanc is part of our portfolio and we couldn’t be happier with the performance. We know people are traveling to Genesee County for a variety of reasons and now they will have a Hyatt branded hotel to choose.”

Guests will be able to enjoy the amenities that they would expect including, an Indoor Pool, Fitness Room, Business Center, breakfast in the gallery kitchen, but also has a lounge serving cocktails/beer/wine and 24-hour access to hot food. An outdoor patio with a firepit where guests can relax. The hotel will also have 1,400 square feet of meeting space.

The \$16 million-dollar project is underway and expected to open in mid-2019 and will employ 20-30 people at the hotel.

Lodgco Hospitality is headquartered in Mt. Pleasant, MI, owns and manages 19 hotels, 16 of which are in Michigan and 3 hotels in Florida. They manage Marriott, Hilton, Hyatt and IHG Properties.
