

Anguilla Relaxed Entry Protocol Phases

Pre-Arrival

For Entry Permission you will need:

- To be fully vaccinated – As of July 1st, all wishing to visit Anguilla and are eligible for the COVID-19 vaccine, **MUST** be fully vaccinated to be granted Entry Permission to Anguilla. According to Anguilla's Ministry of Health, fully vaccinated means, visitor has received last dose (in a 2 dose vaccine) only dose (in a 1 dose vaccine) 3 weeks/ 21 days prior to arrival on Anguilla. For information on vaccination exemptions, see last information box.
- Apply for "Entry Permission" via www.ivisitanguilla.com
- A negative result from a RT-PCR COVID-19 test (polymerase chain reaction) from a naso-pharyngeal swab (from the nose), taken three (3) to five (5) days prior to arrival.

The following four vaccines are approved for entry by Anguilla's Health Authorities:

Vaccine Manufacturers/Developers	Trade Names and Aliases	Dose Schedule
Pfizer/BioNTech	Cormintary; BNT162b2	2
Oxford/AstraZeneca	Astrazeneca, Vaxzevria, Covishield, AZ; AZD1222 (ChAdOx1)	2
Moderna	Moderna; Spikevax	2
Janssen	Janssen/Johnson and Johnson; JnJ	1

Upon Arrival

- You will be tested at your Port of Entry
- You will be issued a yellow wristband. ONLY a Health Representative from the Ministry of Health is authorised to remove issued wristband.
- You are to provide personal contact information to Health Team representatives.
- After clearing Immigration and Customs, you will be required to travel immediately via Safe Environment Certified ground transportation to your accommodation.
- You are required to remain at your accommodation until in receipt of your Port of Entry negative RT-PCR COVID-19 test result. (Test results are usually received within 12hrs of testing.)
- Until in receipt of your Port of Entry negative RT-PCR COVID-19 test result, you are to maintain Social Distance of at least 3ft from individual(s) not of same travel group.
- Until in receipt of your Port of Entry negative RT-PCR COVID-19 test result, you are asked to utilise restaurants on property and food delivery services.
- Until in receipt of your Port of Entry negative RT-PCR COVID-19 test result, access to spas and gyms is prohibited.

! NOTE:

- Use of rental vehicles before receipt of Port of Entry negative RT-PCR COVID-19 test result, is prohibited.
- Once in receipt of your Port of Entry negative RT-PCR COVID-19 test result, you can leave your accommodation and explore the island at will.
