## WHY GUY'S WIFE THREATENED TO LEAVE HIM

Celebrity chef Guy Fieri landed himself in hot water with his wife since 1995, Lori, when he recently made plans to take their 21-year-old son, Hunter, skydiving. "Lori threatened to leave Guy if he pursued this," reveals a source. "She was petrified that Guy and Hunter would die!" Despite Lori's protests, the *Guy's Family Road Trip* star, 49, went ahead with it, performing a tandem jump with Hunter around 13,000 feet. "Jumping out of a plane was always on Guy's bucket list," says the source. The duo landed safely, but "Lori refused to speak to Guy for days afterward. Guy says he has no regrets, though, and the grief [he got] was well worth it."

"Lori told Guy he could skydive if he wanted to, but to leave their son out of it," shares a source.

## A BABY FOR PIPPA!

Prince George and Princess Charlotte aren't just getting a sibling — there's also a cousin coming! While Kate Middleton is expecting her third baby, her sister, Pippa, 34, and Pippa's husband of four months, James Matthews, 42, are working on a family of their own. "They are trying for a baby, and Pippa might already be expecting," reveals a friend. "She has dropped a few hints, and I know she would love to be pregnant at the same time as Kate." Like her older sis, Pippa won't stop at just one bundle of joy. "She would love to have a boy first and then a girl," says the friend. "She wants three children. Pippa and Kate can't wait until the kids all play together."

After tying the knot in May, Pippa and James are working on expanding their family.
