[LEARN HOW WE INSPECT](#)

The moment you step through the Madison Avenue gates of the Villard Mansion and walk down the grand staircase, Lotte New York Palace's motto, "old world elegance, new world opulence," clicks into place. First built as a luxury apartment building in 1882, the structure was transformed into a hotel in 1980.

Today, the spacious and sumptuously appointed rooms are comfortable and loaded with thoughtful touches. Marble bathrooms are de rigueur as are comfortable seating, work desks and large cozy beds.

If you're ready to break the bank, Triplex Suites run up to 5,000 square feet and boast Art Deco décor and unforgettable views from their 18-foot windows and private rooftop terraces.
